An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Edward Baba on July 13, 2007.

In the Examiner's Amendment mailed 7/2/07, the Examiner requested that a hyphen be added between the terms "protein" and "coupled" in part (a) of claim 55. However, this is incorrect, as the term "protein coupled" does not exist in part (a). The hyphen should be added to the preamble of claim 55 as seen in the amendment below. All other amendments in that Allowance are correct.

In the claims:

In the preamble of claim 55, between the terms "protein" and "coupled" add a hyphen.
